

Living with Crazy

R.F. Tripp

My grandmother was crazy
my mother was crazy
my father was crazy
my brother (kinda) crazy
my wife is going crazy
the news is, well, we know the news is crazy
this may be news: the world is crazy
and the universe massively crazy
theology is what-the-fuck-is-this crazy
and driving God crazy
erectile dysfunction is surprise! crazy
politics is stupid crazy
UPS drivers are wound for crazy
the IRS is organized crazy
17 varieties of popcorn is over-the-top crazy
sex is beyond crazy
growing old is driving me crazy
death is terminally crazy
and today another day. Crazy.
